Week 15 – Jesus Gives Joy To Sinners

Wednesday, March 26, 2025

Can you name some specific ways in which Jesus has brought joy and gladness into your life? Have you thanked Him for this? Can you trust Him even when things aren't going the way you thought they should go? What would encourage you to trust in His promise?

How does the pretend story of Betsy and her grandma relate to the true story of Mary, Martha, and Jesus? IN the end, what is the greatest joy that Jeus can give His people? **Read Psalm 16:11; John 11:25; and Revelation 21:3.** Are you trying to find your greatest joy in something else?

Activity: *One of the ways we can express our joy to Jesus is by singing sons of praise to Him. With your parent's help, choose a hymn or worship song. Discuss what the words of the song mean and then sing it together as a family.*

Memory Verse: "I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live." (John 11:25)
